BUCKET DRUMMING!

Music Learning Theory supports the importance of developing an internal understanding of *Rhythm, Dynamics, and Patterns*. In Bucket Drumming, students also develop *Listening, Attention, Pattern Awareness* and *Memory skills*. In fact, many piano teachers are adding some bucket drumming to replace the external need for a metronome!.

Best of all, for parents, there is no instrument to purchased. Our 2022 Bucket Drumming classes will start **September 7th** and **will be held Wednesdays 9/14, 9/21, 9/28, 10/5, 10/19, 10/26, 11/2, 11/9, 11/16, 11/30, 12/1, 12/8, 12/15, 12/21** at 8:00 am

Cost is \$150.00 for all 15 classes

Enrollment is open for K to 6 grade and starts Monday August 11th.
